Philosophical Foundation

1. Authority comes from God.

2. God models righteous authority for us.

3. Authorities should be God-like to demonstrate His nature.

Classroom Management Power

(Robert DeBruyn identified 6 types of classroom management power.)

- **Functional Power**

- **Process Power**

- **Relationship Power**

- **Intellectual Power**

- **Personal Power**

- **Benefit Power**

Following the Rules

- **Explain & Remind**

A large, empty rectangular box with a light blue background and a thin blue border, intended for taking notes related to the 'Explain & Remind' rule.

- **Build Relationships & Thinking**

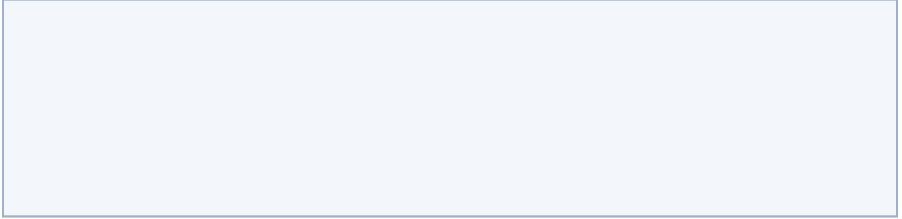

A large, empty rectangular box with a light blue background and a thin blue border, intended for taking notes related to the 'Build Relationships & Thinking' rule.

- **Show and Demand Respect**

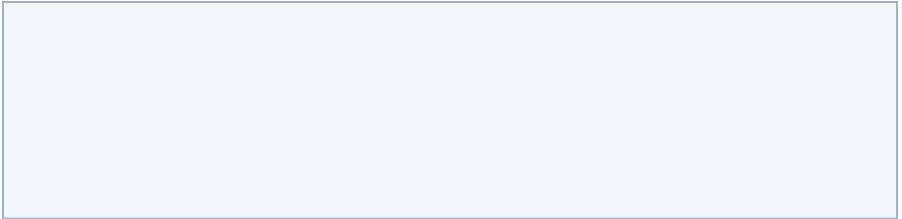

A large, empty rectangular box with a light blue background and a thin blue border, intended for taking notes related to the 'Show and Demand Respect' rule.

Keeping Order

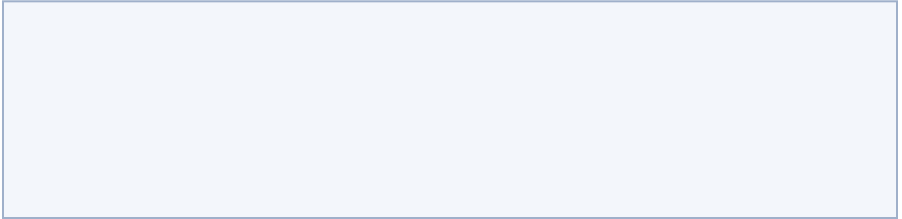

- **Be prepared.** It starts with the teacher.

A large, empty rectangular box with a light blue background and a thin blue border, intended for taking notes.

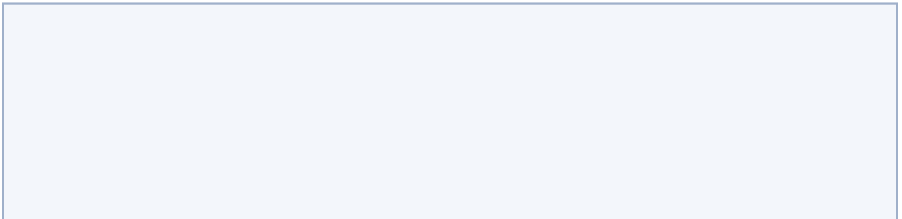

- **Be responsible.** Blame the teacher.
